I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

The oncur towers will be very visible from my property and area around my home. The site of these structures will greatly decrease the value of my home, the homes around me, and our neighborhood.

The affects of the electricity will damage trees, all foliage, people, and animals. The loss of trees for the construction will take away our parks, the stream, and the natural animals located in the area. STOP!
