I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

I am a homeowner in Canyon Falls and I frequently use the greenbelt, community center and playground with my family. At a minimum, I strongly feel the route should avoid our neighborhood (replace C7 with C6) and follow along 1171. Multiple nodes in our neighborhood will negatively impact our home values and creates an unnecessary detour from a straightforward route.
