I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

My property backs up to the proposed Oncor power line running along Trail Creek in Justin, TX. I fear the ecology will be greatly disturbed, if not destroyed of all the lush plant life and many animals that inhabit Trail Creek.

In addition, I worry that the property value of my new home and neighborhood will surley lower which could force me to sell.

Additional concerns: fire/electrocution hazards, radiation exposure, and noise polution this line could create.
