I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. I live with

my family near a proposed line in Justin TX. The 2 proposed lines in Justin Run immediately North OR immediately south of my home. I have concerns for our health living near these lines with 2 small children. There is also private natural land that will be destroyed, which drew us to this area. The south line in Justin has unseemly, expensive 90° turns through our neighbors property, & the north line is detrimental to our town square development.

Please consider moving the line south toward 114 to Run a more direct, less impactful route, out of the Justin city limits.
