I am requesting to intervene in this proceeding. As an INTERVENOR, I understand the following:

- I am a party to the case;
- I am required to respond to all discovery requests from other parties in the case;
- If I file testimony, I may be cross-examined in the hearing;
- If I file any documents in the case, I will have to provide a copy of that document to every other party in the case; and
- I acknowledge that I am bound by the Procedural Rules of the Public Utility Commission of Texas (PUC) and the State Office of Administrative Hearings (SOAH).

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary.

My name is Pam Smith. I
have lived in my house on Wilkerson
Lane in Justin, Tex for a little over two
months. Justin is a nice town. My backyard
is backed up to the creek and all the trees.
I love it. Don't put electrical towers here.
That would take away the wild life, the
beautiful trees. There is schools over
here and town square and parks. This
would be so bad for Justin.
