I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

Please consider putting these electrical lines away from habitable areas with families.

There is plenty of land/property other than family living areas for these utilities lines.

Currently our community has numerous utilities lines and when I walk my trails, I can hear and feel the vibrations. No community should have them!!!!
