I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

My family and I reside in the Justin Crossing neighborhood. One of the power line proposed paths will come right next to our neighborhood.

Given the amount of available open land in the region, I would encourage the PUC to direct ONCOR to propose alternate paths in unpopulated areas.
