RE: Docket # 55067, (Links to J3)

To: PUCT Commissioners

I am writing this in protest to Docket # 55067.

When purchasing our home we were aware that our location was near a flood plain and that a gas collection well was nearby. We never expected or imagined anything disrupting or endangering our lives or property as massive as a route for Oncor.

Our neighborhood, Legacy Ranch in Justin, TX, has grown and there are many children playing outside, swimming in their backyard pools and riding their bikes around. The proposed J3 power line would pass over and very near these back yards and bike riding areas. In fact, one pole will be 65 feet from one house.

I also understand these lines are needed, as the Texas population continues to grow. There are many other open area/routes that these lines could take and not disrupt peoples lives.

Legacy Ranch- Justin, TX includes these streets:

Denton Creek Dr
Oliver Creek Ln
Heritage Dr
Back Stretch Rd
Horseshoe Ct

I won't list all the negative things I've read, as I'm sure you already know them.

Commissioners, I appeal to you! Please keep the Oncor lines out of our neighborhood/backyards in Justin, TX.

Thank you for your time....

Respectfully,

Janet R Bresler
