I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

We are a retired couple that built our home in a subdivision that did not face power lines. Your proposed lines will affect our view and depress our property value. We are too old to move again. This proposal is unfair - had we known about it earlier, we would not have moved here. We will be facing the line at E8.
