features a spectacular view, especially at sunset of the trees and natural landscape from the edge of the infinity pool. One of the proposed lines would cut through our green belt and block this spectacular view. These lines would certainly impair our ability to enjoy the nature trails and to take advantage of the main marketing campaign that this community was founded on! We also recognize the decrease in property values that would likely occur from this and we don't want it to impact ~~to~~ our or the community's value! Please keep these lines out of built up residential neighborhoods! This is where we plan to raise our two girls! Thank you for your deep consideration.
