J L Logan Family, Ltd. is directly affected by and opposes alternative routes 1, 33, 41, 42, 54, 65, 67, 68, 69, 71, 72, 86, 92, 94, 96, 103, 117, 138, 142, 143, 154, 175, 176, 178, 184, 185, 207, 216, 217, 218, 219 and 221. More specifically, J L Logan Family, Ltd. opposes line segments O7, Q1, P3, P5, P6, P7, S2, U1, W1, W3, W4. The J L Logan Properties are currently used for agriculture for tax exemption purposes but planned for immediate or future mixed-use or industrial development. The proposed power lines that cross the J L Logan Properties will have a negative impact on the existing agricultural activities and damage the future development potential of the J L Logan Properties. J L Logan Properties support Route 179 because it satisfies the routing criteria established by the Public Utility Commission of Texas and, after balancing all the relevant factors, appears to cause the least impact to the affected landowners in totality.
