Bud & Micky Logan Family, LP and Bud & Micky Logan Family Ltd. Partnership (collectively "Bud and Micky Logan Properties") submit this joint position statement. Bud & Micky Logan Family LP is directly affected by and opposes alternative routes 10, 11, 19, 33, 54, 92, 117, 154, 170, 178, 186, 187, 191, 192 and 216. More specifically, Bud & Micky Logan Family LP opposes line segments 05, 06, P1 and P3. Bud & Micky Logan Family Ltd. Partnership is directly affected by and opposes alternative routes 68 and 69. More specifically, Bud & Micky Logan Family Ltd. Partnership opposes line segments Q5. The Bud & Micky Logan Properties are currently used for agriculture for tax exemption purposes but planned for immediate or future mixed-use or industrial development. The proposed power lines that cross the Bud & Micky Logan Properties will have a negative impact on the existing agricultural activities and damage the future development potential of the Bud & Micky Logan Properties. Bud & Micky Logan Properties support Route 179 because it satisfies the routing criteria established by the Public Utility Commission of Texas and, after balancing all the relevant factors, appears to cause the least impact to the affected landowners in totality.
