Docket No. 55067

Attention PUCT,

I would like to protest the proposed placement of Oncor power lines through the Canyon Falls neighborhood where I am a homeowner. The lines will affect our property values in a negative way and cause great environmental harm to habitat and damage to our beautiful community. The community has invested millions of dollars in beautiful green spaces that will be destroyed with the power lines that follow routes E5, C8, C9, C7 and F3. Running the power line along fm 1171 ( C6 ) would avoid damage to our community of Canyon Falls.

Thank you,
