RE: Statement of Position

Docket: 55067

To Whom it May Concern:

This statement of position is for the estate of Marjorie Ann Pate, 14547 John Day Rd, Haslet, Texas 76052.

Our concerns are on the effects the transmitters will have on our family farm and the agriculture we work on the land. Some of our concerns include the health concerns they will be, the property access that will be loss for farming, etc.

The transmitters will affect our property value to the land, which is a generational wealth of our family farm and land of Marjorie Pate's heirs.

Thank you,

Michele Branum (Daughter of Marjorie Pate)
