I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. We moved

to Canyon Falls in December to be near grandchildren and in an environment with nature. We are retired so we sit outside enjoying wildlife (rabbits, peahens, etc) and birds. Our health is not good so we cannot afford the loss of economic (selling our house at a loss) downplay. The transmission lines immediately behind our home could be devastating financially and environmentally.
