I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.

☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. I am

a home owner in the most beautiful community -
Canyon Falls. We built here just for the greenbelts,
nature and rolling terrain. Please consider
not to build these obtrusive transmission lines
as they will have a severe economic and ecological
impact to the community. Home values will go down.
