I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary.

All of sector C and E go right through a major housing development with million dollar homes, community pools,

elementary, high school, and day care. It seems as if Oncor used outdated surveys for these proposals

and I strongly oppose the proposed lines and urge Oncor to seek a completely different route.
