Subject: PUC Docket No. 55067 – Application of Oncor Electric Delivery Company LLC to Amend its Certificate of Convenience and Necessity for the Ramhorn Hill Switch – Dunham Switch 345 kV Transmission Line in Denton and Wise Counties, Texas

Dear Pipeline Owner/Operator:

On June 8, 2023, Oncor Electric Delivery Company LLC ("Oncor") filed an application with the Public Utility Commission of Texas ("PUC" or "Commission") requesting authorization to install a new double-circuit 345 kV transmission line on triple-circuit capable structures between the proposed Ramhorn Hill Switch and the proposed Dunham Switch, located in Denton and Wise Counties, Texas. At that time, formal notice of the filing was mailed to you.

This letter serves as notice that Oncor's application was considered and approved by the Commission, through an Order on Rehearing that was issued on May 6, 2024. A map showing the approved route is enclosed. Information relating to the project can be found at <https://www.oncor.com/transmissionprojects>, by selecting "Ramhorn Hill - Dunham 345 kV Transmission Line" from the drop-down menu.

If you have any questions about this notice you may contact Chris Reily of Oncor at (214) 486-4717.
