I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

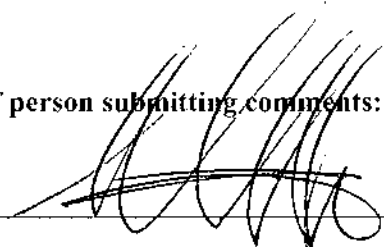

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

There are at least 97 existing habitable structures currently along the lines of this proposal.

This is not to mention the 2 large neighborhoods that are currently being built! Not to mention the unsafe proximity to FAA registered airports. Also this violates prudent avoidance requirement of electromagnetic radiation exposure!

Harmful impact to agricultural and other environmentally sensitive areas and neighborhoods.

Comments in Docket No. 55067

Electromagnetic fields create an area of potential harm to persons or animals in close proximity to electric lines.

Prudent avoidance policy to apply reasonable efforts to minimize potential risks to people

Fragmented and dividing property into pieces by not following existing property lines.

Unsafe proximity to neighborhoods and residents (Guy James Ranch) (Avery Ranch) (Propwash) (Guy James Ranch phase 1) (Propwash Airport) not to mention (WildFlower Ridge and Boss Range Estates currently being built)

Harmful impact to agricultural and other environmental sensitive areas

Lack of environmental integrity

Violates Prudent Avoidance requirement of electromagnetic radiation exposure
