I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☒ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

If the Pilot Point Substation is chosen, the North/South sections of lines 2X and 2Y will be on my property. The East/West section of 2X will cut that section of my land in half. The East/West section of 2Y is at boundary line of next property. I respectfully request that you choose the 2Y line so as not to have my property cut in half.
Thank you.
