**I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:**

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

**Please check one of the following:**

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. \_\_\_\_\_

I am writing this note to express my concern about where the Dunham 345kV transmission line will be

installed. If it were to be installed parallel to and south of 1171 we could still take off and land over it, but any

plane in distress could strike the lines or the towers, suffering irreparable damage and even fatalities that wouldn't have

otherwise occurred.
