**I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:**

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

**Please check one of the following:**

☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.

☐ One or more of the utility's proposed routes would cross my property.

☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. As a

resident of small Justin proper, I'd like to keep our town away from such dangerous, health-altering materials. A medical professional with a young family and an aging family near your proposed routes, this endangers our continued existence. Further south near industrial seems much more pragmatic.
