I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.

☐ One or more of the utility's proposed routes would cross my property.

☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. I am

a frequent user of Justin community Park for my daily walks. One thing that attracted me to this community was the beautiful trees along the creek. I would certainly hate to see power lines there instead of a peaceful greenbelt. I urge you to consider placing the lines elsewhere so we can continue to enjoy our peaceful residential community.
