I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

I own a hangar at Aero Valley Airport, otherwise known as Northwest Regional Airport. The proposed transmission line crosses the runway extended centerline approximately one half mile north of the airport. Aero Valley is a very busy airport and this line and structure pose a significant threat to safe operations. The risk of serious injury or death, should be obvious. The proposed location of this transmission line should be moved away from this, and any other, airport.
