I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. \_\_\_\_\_

The proposed line proposed just north of 52E Airport will cause an accident in the future. I am a retired pilot and FAA inspector for a major airline. I have signed many approvals that if there was an obstacle this close to the runway, it would have caused an accident.
