I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

The proposed location of 120 ft TALL obstructions, located 2600 ft from Northwest Regional Airport, will cause a significant hazard for landing aircraft. Especially at night. A standard glide path for an aircraft is 3 degrees. This 120 ft obstacle computes to 2 1/2 degrees. Aircraft at night would clear the lines by 20 feet.

Signature of person submitting comments:
