- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

**Please check one of the following:**

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. \_\_\_\_\_

My home is approx 500-1000 Feet from proposed route 184, Route link E3+E8. The PUC should deny this route and use the Army Core of Engineers land south of 1171 for this project. It may take longer but is the right thing to do for all Texans.
