I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

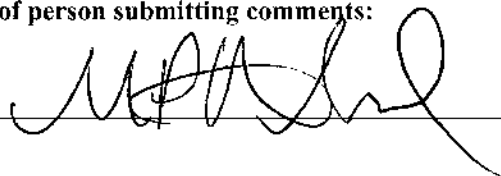

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

My home is approx. 500-1000 feet from proposed route 184, route link E5. The PUC should deny this route and also routes E8, E3, C9, C8, C5, C7, E2, E1, C4. The PUC should use the Army Core of Engineers land on the south side of Rt. 1171 for this project. My quality of life, property values and surrounding wildlife will be negatively affected by the proposed route. Thank you for your consideration.
