☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.

☐ One or more of the utility's proposed routes would cross my property.

☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. \_\_\_\_\_

My property would be close to these high ~~power~~<sup>voltage</sup> power lines, and it will lower my property value. Concerns for my health and for others. Cancer, neurological effects, muscle pain, insomnia, fatigue, headaches, etc. Trees will have to be destroyed and will stress plants, may effect TV and phone reception. Justin doesn't want this eye sore in our growing town. Put it in a less populated area. Thank you!
