I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

Placing power lines anywhere near a path to or from Aero Valley Airport is a high risk endeavor for those of us that fly in and out of our airport. Additionally, it will devalue our property by making the airport a dangerous one. I support the modified height structures that Oncor proposed and could be as easy to construct, insuring safer flight approaches.
