There are many reasons why these utilities should not be in Justin #1 Our family home backs up to the easement where the utilities will go →

my husband and I have 6 children
along with our nephew and sons girlfriend
that live with us! we bought our home
because of the easement in the back! Our
children have played in the easement for
countless hours and we ~~just~~ just built a pool
in our backyard! ~~This~~ This would greatly
affect our way of life. I'm also
concerned for ^{our} health being so close to the
utilities. We will also lose all of the
beautiful trees and wildlife that ~~we~~ we
have back there!

Thank You
