I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

I have concerns over the proposed plans as a homeowner. The structures would be directly behind my house. Not only are they an eye sore, they would also affect my property value. One of the things we like to do is view the cows grazing in the field. With these structures we'll no longer get to enjoy nature.
