I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

I am protesting the placement of the Onor Transmission Line going through Canyon Falls. This is a residential community designed to be free on these high powered lines. Families of multiple ages live here for the beautiful surroundings, and the healthy lifestyle offered. Keep our greenbelt free of any additional power lines!
