- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. \_\_\_\_\_

25 years ago, my H bought this place.  
My husband and I are both retired.  
The railroad track is 150' from the  
back fence. Putting a transmission line in  
would take out whole backyard.
