I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

I would prefer for the lines to be placed further away from the residential areas.

I do not relish the thought of having my children walk to school under the transmission lines. I also do not want more wooded areas destroyed, our neighborhood is already overrun with coyotes who are eating the small animals in the neighborhood.
