- I am NOT a party to this case;
- My comments are not considered evidence in this case; and

Please check one of the following:

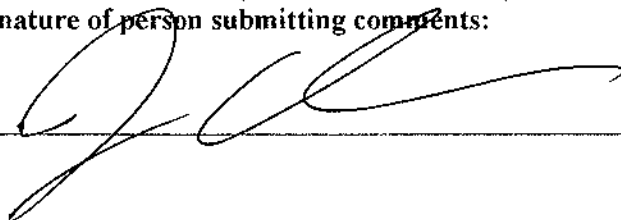

☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.

☐ One or more of the utility's proposed routes would cross my property.

☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. We

already have a power line running thru our neighborhood. Putting more power lines will quite possibly most likely severely hurt our resale values. Canyon falls was built around nature + trails which is what drew us to this home. Please don't take away from that by choosing a more neutral location along 1171.
