I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☒ Other. Please describe and provide comments. You may attach a separate page, if necessary. I bought a home in Canyon Falls, because it was away from the city and provided me a bit of country living. If I had known Oncor wanted to build powerlines in the vicinity and through property lines, I would have moved to a more established neighborhood. Power lines near homes drastically reduce property values & create health issues. They disrupt wildlife and other ecosystems, as well. Please use the alternate routes that have been suggested by our local officials. Thank you!!
