I am requesting to intervene in this proceeding. As an INTERVENOR, I understand the following:

- I am a party to the case;
- I am required to respond to all discovery requests from other parties in the case;
- If I file testimony, I may be cross-examined in the hearing;
- If I file any documents in the case, I will have to provide a copy of that document to every other party in the case; and
- I acknowledge that I am bound by the Procedural Rules of the Public Utility Commission of Texas (PUC) and the State Office of Administrative Hearings (SOAH).

Please check one of the following:

- ☐ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☒ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary.

On your maps it shows our 127 Acres as ID 2150. Denton County Plat # 77031
East - west proposed line shows to end at western boundary on our property M 8
Also a line goes North & South across our property 01 - 02 - 03. I am affected
with 2 lines. Greatly devaluing the property, since there are 3 gas wells
on our small acreage. I don't see how I would effectively be able to develop
what I have left after easements w. boundary Nat gas pipeline - Across front E-W Agor
Texas Easement. please see Attachment showing
M-8 + 01 02 03 High voltage proposed
Route.
