Canyon Falls already has one transmission line that runs right through the middle of our neighborhood. Every resident see's this transmission line every day and it is visible from almost any area within our neighborhood.

It's presence impacts our green belts, or nature areas, or home values, and our health. We do not want another transmission

line running through our community or along its borders. Pick another route, I vote NO to routs C4, C5, C7, C8, C9, E2, E3, E5, E8, F3.
