Please check one of the following:

☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.

☐ One or more of the utility's proposed routes would cross my property.

☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. We moved

to canyon falls because of the beautiful green spaces. This addition of utility lines will deteriorate our homes values and the high value we personally have of enjoying nature. We also have health concerns over the lines being so close to our home.
