I am apposed to the J3/J4 routes that would go thru the town of Justin. One of those lines would go thru our oldest park, we would loose old trees and a value habitat in our community. We also just erected a veterans memorial in the park. J3/J4 also goes thru existing neighborhoods and a new devellopment. There are major health concerns connected with this type of lines and it would reduce property values. Some of these homes are just a few years old.
There should be a better option near Hwy 114 that doesn't affect home owners and new developments.
