I am NOT requesting to intervene in this proceeding. As a PROTESTOR, I understand the following:

- I am NOT a party to this case;
- My comments are not considered evidence in this case; and
- I have no further obligation to participate in the proceeding.

Please check one of the following:

- ☒ I own property with a habitable structure located near one or more of the utility's proposed routes for a transmission line.
- ☐ One or more of the utility's proposed routes would cross my property.
- ☐ Other. Please describe and provide comments. You may attach a separate page, if necessary. _____

My home is approx 500-1000 feet from proposed route 184, Route line E33 E8. The PUC should deny this route and use the Army Corps of Engineers land south of 1171 for this project. It may take longer but it is the right thing to do for all Texans.
