APPLICATION OF THE CITY OF PHARR	§	PUBLIC UTILITY COMMISSION
TO AMEND ITS CERTIFICATE OF	§	
CONVENIENCE AND NECESSITY IN	§	OF TEXAS
HIDALGO COUNTY	§	

CITY OF PHARR'S SECOND REQUEST FOR AN EXTENSION

On October 10, 2023, the Administrative Law Judge issued Order No. 4 declaring the City of Pharr's (City) application administratively complete and directing the City to provide notice of the application as described in the October 9, 2023 memorandum by November 28, 2023. The October 9th memorandum requires that notice be published in the newspaper twice and mailed to other retail public utilities, the county judge, landowners with 25 acres or more that are wholly or partially within the requested area, and all customers within the requested area.

The City has over 1000 customers in the requested area. Because of the extensive mailing that is required, the City requests an extension until December 19, 2023 to provide proof of notice. Further, the City requests an extension to January 24, 2023 for the Public Utility Commission Staff to file a recommendation on sufficiency of notice.

The City has conferred with the PUC Staff and the PUC Staff does not oppose the Request for an Extension.

Respectfully submitted,
