**ORDER NO. 13  
REQUIRING CLARIFICATION**

This Order addresses Commission Staff's final recommendation filed on April 11, 2024, and the April 25, 2024 joint motion to admit evidence and proposed notice of approval filed by the City of Pharr.

In their filings, the parties stated that Pharr has violations listed in the Texas Commission on Environmental Quality's (TCEQ) database. However, the administrative law judge is unable to locate in the record if Pharr has resolved or is currently addressing said violations.

By May 22, 2024, the parties must file a clarification on the status of Pharr's violations listed in the TCEQ's database and move for their responses to be admitted into the record of this proceeding.
