(Purchaser's Name) (Address)

St. Louis, MO 63131  
(City), (State) (Zip Code)

has submitted an application with the Public Utility Commission of Texas (Commission) to amend  
uncertificated area to water CCN No. 13290 and purchase all of the water facilities and to transfer water  
certificated service area under CCN No. 11880, in Kerr County, TX from:

Wood Trails Water Supply, Inc. P.O. Box 293065 Kerrville, TX 78029  
(Seller's Name) (Address) (City), (State) (Zip Code)

The requested area overlaps the district boundaries of the Upper Guadalupe River Authority. If this district  
does not request a public hearing, the Commission shall determine that the district is consenting to  
CSWR-Texas Utility Operating Company, LLC's request to provide retail water utility service in the  
requested area.

The sale is scheduled to take place if approved by the Commission (Texas Water Code § 13.301). The  
transaction and the transfer of the CCN includes the following subdivision:

Wood Trails Ranch Subdivision.

The requested area includes 73 customer connections, is located approximately 2.9 mile(s) northeast  
of downtown Ingram, Texas, and is generally bounded on the north by Interstate Highway 10; on the east by  
Interstate Highway 10; on the south by the intersection of Farm to Market 1338 and Country Lane; and on the  
west by Holloman Road.

The requested area includes approximately 367.9 acres, comprised of:

26.9 acres of uncertificated area to amend (add) to CSWR-Texas Utility Operating Company, LLC  
(CCN No. 13290); and

341 acres of transferred area from Wood Trails Water Supply, Inc. (CCN No. 11880) to CSWR-Texas  
Utility Operating Company, LLC (CCN No. 13290).

The application proposes the subtraction of approximately 341 acres from CCN No. 11880 and the addition of approximately 367.9 acres to CCN No. 13290.

**See enclosed maps showing the requested area.**

This transaction will not have an effect on the current customer's rates and services.

*Persons who wish to intervene in the proceeding or comment upon action sought should contact the Public Utility Commission, P.O. Box 13326, Austin, Texas 78711-3326, or call the Public Utility Commission at (512) 936-7120 or (888) 782-8477. Hearing- and speech-impaired individuals with text telephones (TTY) may contact the commission at (512) 936-7136. The deadline for intervention in the proceeding is (30 days from the mailing or publication of notice, whichever occurs later, unless otherwise provided by the presiding officer). You must send a letter requesting intervention to the commission which is received by that date. The letter must include the person's name, address, email address and fax number if applicable.*

If a valid public hearing is requested, the Commission will forward the application to the State Office of Administrative Hearings (SOAH) for a hearing. If no settlement is reached and an evidentiary hearing is held, SOAH will submit a recommendation to the Commission for final decision. An evidentiary hearing is a legal proceeding similar to a civil trial in state district court.

A landowner with a tract of land at least 25 acres or more, that is partially or wholly located within the requested area, may file a written request with the Commission to be excluded from the requested area ("opt out") within (30) days from the date that notice was provided by the Utility. All opt out requests must include a large-scale map, a metes and bounds description of the landowner's tract of land, landowner's name, address, email address and fax number, if applicable.

A landowner that opts out from the requested area releases the applicant's obligation to provide retail water or sewer utility service to the removed land for any reason.

Persons who wish to request this option should file the required documents with the:

Public Utility Commission of Texas  
Central Records  
1701 N. Congress, P. O. Box 13326  
Austin, TX 78711-3326

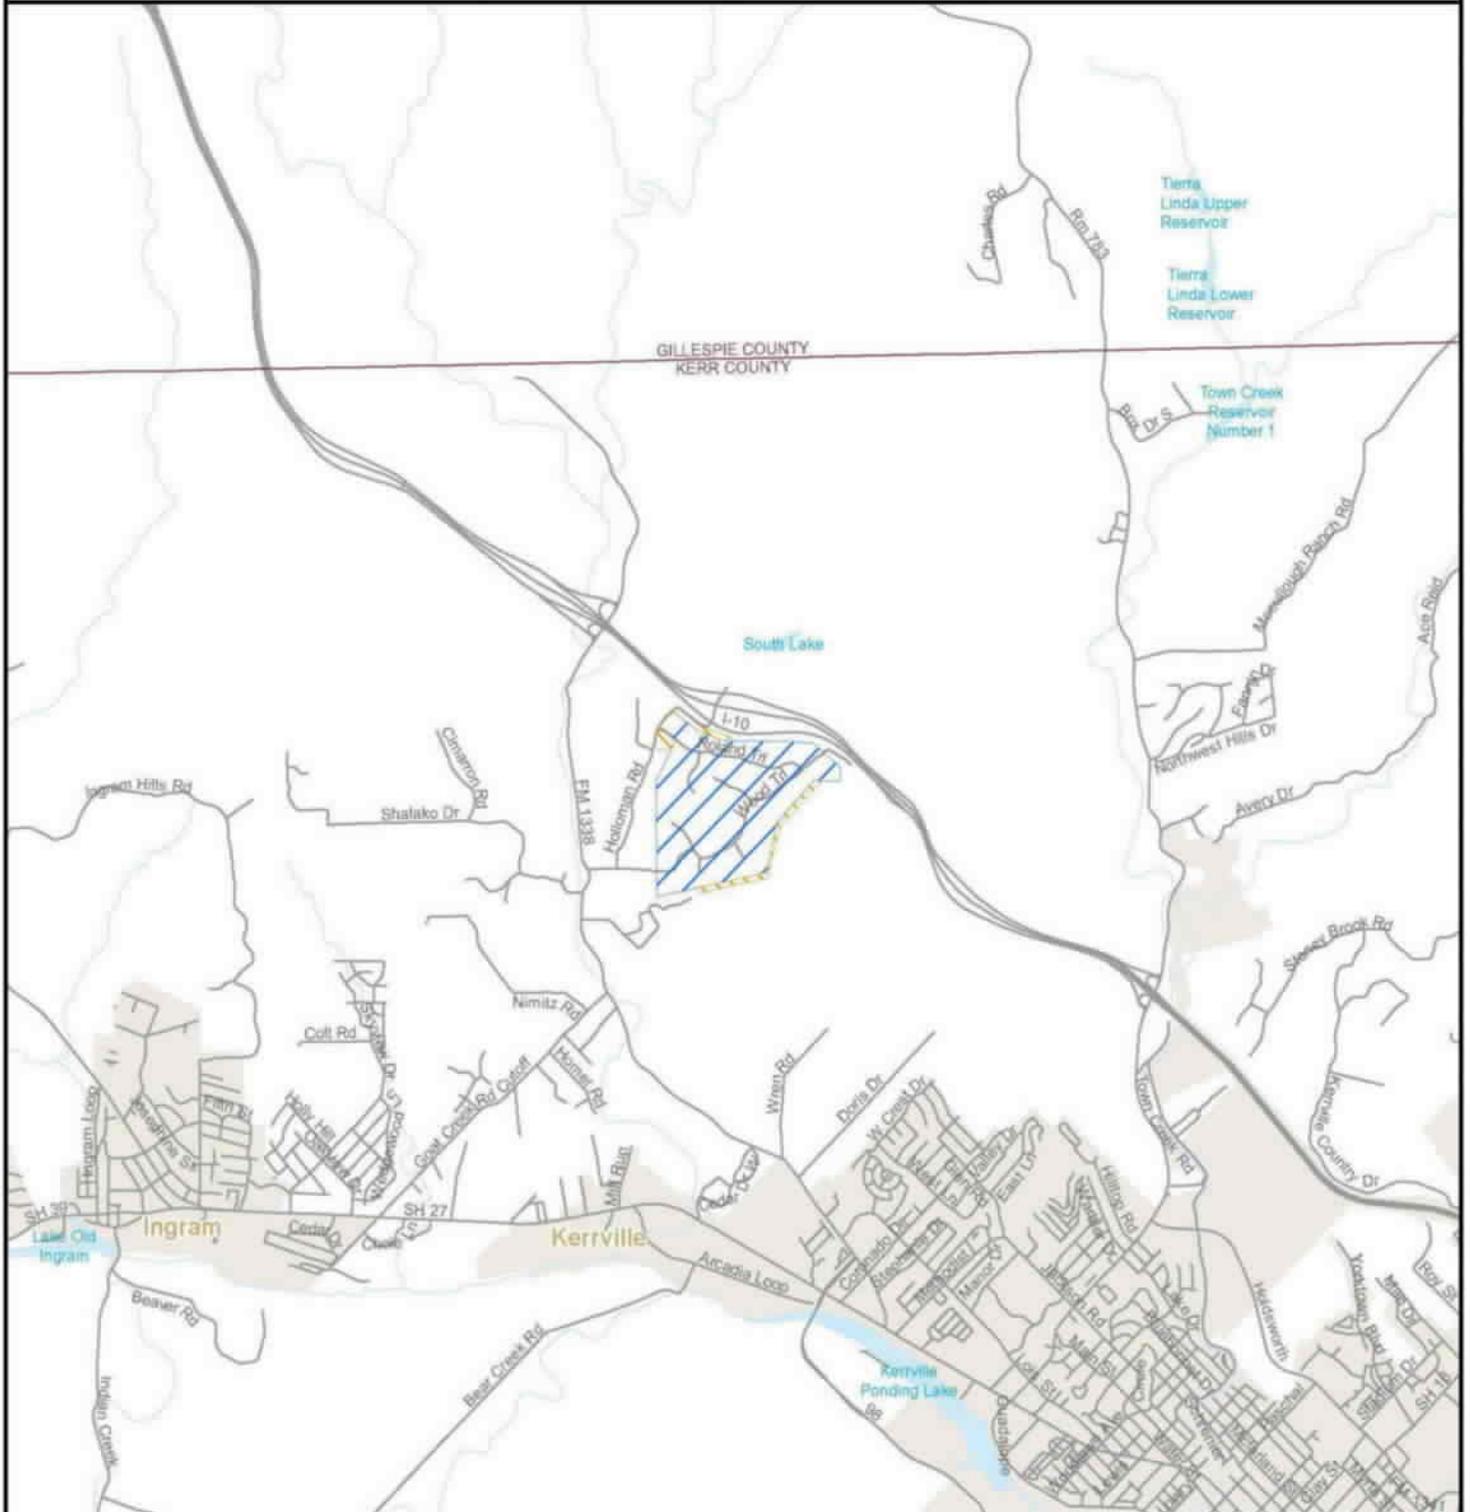

In addition, the landowner must also send a copy of the opt out request to the Utility. Staff may request additional information regarding your request.
