**ORDER NO. 13
PROVIDING CLARIFICATION ON DEADLINES**

This Order addresses CSWR-Texas Utility Operating Company, LLC’s June 24, 2024 unopposed request for an extension. CSWR-Texas states that all closing documents were completed in April 2024, except the customer deposit affidavit. CSWR-Texas anticipates that the customer deposit affidavit will be executed and filed within the next two weeks.

The Order granting the sale, transfer, or merger was entered in Order No. 10 filed on March 4, 2024. Therefore, the 180-day timeframe to complete the transaction has yet to expire. Accordingly, CSWR-Texas’ request for an extension is not necessary, and therefore, the administrative law judge denies the request.

If CSWR-Texas is unable to complete the transaction by September 3, 2024, then they may re-file a request for an extension closer to the expiration period.

Signed at Austin, Texas on the 25th day of June 2024.
