DOCKET NO. 55304

APPLICATION OF TEXAS WATER UTILITIES, LP AND SWWC UTILITIES, INC. DBA HORNSBY BEND UTILITY COMPANY, INC. FOR SALE, TRANSFER, OR MERGER OF FACILITIES AND CERTIFICATE RIGHTS IN TRAVIS COUNTY	§ § § § § § §	PUBLIC UTILITY COMMISSION OF TEXAS
---	--	--

**ORDER NO. 16
REQUIRING CLARIFICATION**

This Order addresses the October 11, 2024 joint motion to admit evidence filed by Texas Water Utilities, LP, SWWC Utilities, Inc. dba Hornsby Bend Utility Company, Inc., and Commission Staff. In the parties filing, the parties state that the applicants consented to certificates and tariff pages that contained agreed modifications. Two of the modifications were as follows:

1. Add Bosque to the list of counties on the water certificate for Texas Water; and
2. Add Caldwell to the list of counties on the sewer certificate for Texas Water.

However, the county at issue in this docket is Travis County. The administrative law judge (ALJ) requires the parties to clarify why the parties are seeking to add counties that are not at issue in this current docket to Texas Water’s certificates. In their clarification, the parties should address (1) the authority that allows amendments to the certificates that are unrelated to the current docket and (2) whether it is more appropriate for Commission Staff or Texas Water to request corrections to the certificate with the executive director, as required under Texas Water Code § 13.244(e).

By October 29, 2024, the parties must file their clarifications.

Signed at Austin, Texas on the 15th day of October 2024.
