ORDER REQUESTING LISTS OF ISSUES

On August 16, 2023, the Commission established the above-styled and numbered docket to resolve issues in Entergy Texas, Inc.'s base-rate proceeding¹ related to its request for approval of new transportation electrification and charging infrastructure and transportation and electrification charging demand adjustment riders.

The Commission may issue a preliminary order that will contain a list of the issues to be addressed in this docket, as well as any necessary statement of Commission policy, precedent, or position on any threshold legal or policy issues relevant to this proceeding. To assist the Commission in drafting that order, Entergy Texas, Inc. must, and Commission Staff and any other interested party may, file in this docket a list of issues to be addressed in the docket by **November 6, 2023**. This pleading may also identify any issues that should not be addressed in the docket and identify any threshold legal and policy issues that should be briefed for purposes of a preliminary order. Specific explanations shall support any issues not to be addressed or threshold issues identified in the pleading. Parties shall not file responses to any pleading submitted in response to this Order, unless specifically requested.

If the Commission issues a preliminary order, it will provide a list of issues and areas that must be addressed in this proceeding and any necessary statement of Commission policy, precedent, or position on threshold issues, or combination thereof, relevant to this proceeding. The Commission may consider and possibly adopt a preliminary order in this docket at a future open meeting.

¹ *Application of Entergy Texas, Inc. for Authority to Change Rates*, Docket No. 53719, Order (Aug. 24, 2023).

Signed at Austin, Texas the 17th day of October 2023.
