NOTICE REGARDING EXHIBIT AND WITNESS LIST**

Americans for Affordable Clean Energy (AACE) does not intend to present witnesses or exhibits at the hearing on the merits. At this time AACE does not intend to call any witnesses for cross-examination during the hearing on the merits and, therefore, AACE waives cross-examination of all witnesses. However, AACE reserves the right to cross-examine any witness who takes the stand if an issue affecting AACE's interest in the matter arises during cross-examination of that witness by another party. AACE further reserves the right to participate in the hearing and post hearing briefing, if any.

Respectfully submitted,
