**ORDER NO. 3  
GRANTING EXTENSION REQUEST**

This Order addresses Aqua Water Supply Corporation's October 5, 2023 request for extension. Representatives for Aqua stated more time is needed to procure the required mapping information.

The administrative law judge grants the request.

By October 25, 2023, the applicant must supplement the application to cure the deficiencies as described in the September 15, 2023 memorandum of Patricia Garcia, attached to Commission Staff's recommendation. Until the Commission receives and reviews the supplemental information, the application cannot proceed.

By November 29, 2023, Commission Staff must file a supplemental recommendation regarding the administrative completeness of the application, along with a proposed procedural schedule, if appropriate.

**Signed at Austin, Texas the 6th day of October 2023.**
